

CentroStudiFingerstyle

**September 8 to 12 2010
Tuscany, Italy**

**Residential
INTERNATIONAL GUITAR WORKSHOP
2nd annual
Maestros:
WOODY MANN
and
DAVIDE MASTRANGELO**

For info Cell. **338 5810540** info@centrostudifingerstyle.com

The workshop will take place in the green house “**La Pietraia**” in Poppi (AR).
On Wednesday, September 8th from 11:00 am to 01:00 pm, we begin with a
welcome meeting (accommodation and overview of the workshop). Departure
and giving of the certificates is Sunday, September 12 at 12:00 p.m

How to reach us: www.lapietraia.com

**Breakfast and dinner are included, while lunch are at participants' expense. Each
small flat has a kitchen and the green house is about two minutes away from a
shopping center.**

Workshop cost: 4 nights in double or triple rooms, 4 breakfast, 4 dinner: **€ 540**. Method of payment.
The payment is divided in two instalments: the enrolment fee (270€) by June 15th 2010 by bank
transfer to the Karyon postal account (IBAN code **IT68 L076 0114 1000 0000 2341 308**) and
confirmation of the enrolment to info@centrostudifingerstyle.com.. The second fee (270€) shall be
paid at the arrival at the green house on Wednesday September 8th to secretary of the
CentroStudiFingerstyle. If the participant does not attend the workshop for reasons which do not
depend on the workshop organization, the first fee will not be returned. If the workshop will not take
place for reasons which depend on the workshop organization, the total amount will be returned. It
is possible to pay the two instalments as a one-off payment (by June 15th 2010) at the same
conditions.

In collaboration with **Karyon** Cultural Association

WORKSHOP PROGRAMME

During their classes Woody Mann and Davide Mastrangelo will deal with the following topics:

- *Basic and Advanced Techniques*

ground bass, alternating bass, boom-chick, walking bass, bass damping, melodic embellishments, percussion, alternative tunings, harp style, harmonic,s tapping, over-neck, pick and fingers, Carter family style, banjo rolls, double stops, pedal steel imitation.

- *Fingerstyle improvisation*

blues, introduction to jazz and modal jazz in relation to Irish music

- *Styling*

ragtime, blues, jazz, celtic music, introduction to slide guitar

- *Open tunings*

- *Swing guitar*

rhythm and soloing

- *Arrangement and Composition*

exercises to improve your creativity

- *Music in group*

This class will be about the understanding of the dynamics of playing in group. Play together is not only a pleasure but also an improvement of the guitarist's musicality.
